Hello!

My goal is simple: to do whatever it takes to help the team succeed. I stay hands-on, eager to learn, and use collaboration and feedback to turn ideas into design that makes an impact through collaboration.

Experience

Graphic Designer

SoZo Graphics & Screenprinting | 2022-Present

- Promoted from Intern to Designer
- Managed daily operations for one month (Summer 2024) and continue supporting as a freelance designer.
- Designed seasonal apparel collections and custom graphics for print and signage.
- Operated Roland cutting machine and supported screenprint production.
- Assisted with quality control and order fulfillment.

Freelance Designer

Independent | 2021-Present

- Created vector logos and graphics based on client concepts, sketches, or existing artwork.
- Collaborated closely with clients to understand their brand and project needs.
- Refined and prepared scalable, production-ready files for print and digital use.

Videographer / Video Director

Audio Visual Lighting (AVL) | JBU | 2023-Present

- Promoted to Video Director, leading live production for chapel and campus events.
- Directed multi-camera broadcasts and coordinated crew during live productions.
- Operated switcher for commencement and other largescale events.
- Filmed chapel, athletics, and university productions in fast-paced environments.

Teaching Assistant

Intro to Graphic Design | JBU | Spring 2026

- Mentored students through the design process from concept to final presentation.
- Helped with critique discussions and provided constructive, actionable feedback.
- Strengthened students' design thinking and visual problem-solving skills.
- Supported classroom instruction and encouraged creative growth.
